Stewardship Reflections**30th Sunday in Ordinary Time**

“And Jesus said to him, ‘Go your way; your faith has made you well.’ And immediately he received his sight and followed him on the way.” (MARK 10:52)

Faith is believing in something even though you may not be able to physically see it. Many people think that miracles don’t happen anymore. This is hard, but try to focus on the positive and not the negative things in your life. When you focus on your blessings instead of your hardships, miracles will seem common. You will see God’s active presence in your daily life. You will begin to develop an attitude of gratitude.

2025 Mass Book

2025 Mass Intention book is open. So that all parishioners will be able to have Mass intentions scheduled on weekends, we are limiting intentions to two weekend Masses per deceased loved one for the year as available. After November 13th you may request additional Masses.
